Dear Hal:

As you requested, and as has been authorized by the FDIC, enclosed please find the 14 page inventory list previously supplied to me by the FDIC.

As we also discussed, should you have any documentation substantiating your claims that there may be assets of Cumberland Investment Corp. which are not currently stored at the Fleet National Bank in Woonsocket, RI, you will provide me with copies of any such documentation so that I may further look into the matter.

Very truly yours,
